Is Your Heart Good Soil?

Jesus said God's Word is like seeds that are sown. Sometimes the Word will fall on hard ground, sometimes on stony ground, sometimes among weeds--as well as sometimes on good soil. (See the story of the Sower in Matthew 13:1-23.) God's Word produces its maximum potential when it falls on good soil.

A heart that is good soil has allowed the Holy Spirit to break up the hard ground and remove any rocks. Good soil is soft soil that is prepared to receive the seed and the rain.

Why not ask the Holy Spirit to make your heart soft to receive God's Word? In good soil God's Word can establish strong roots and in time produce a great harvest for good in your life.
