God Reminds Us of What We Have Memorized

God speaks to His children in various ways--and at just the right time, the Holy Spirit will bring a verse to your mind that you have studied.

It may be at a time of sorrow, of trouble or of some need when the Holy Spirit will whisper a specific verse that helps you. Jesus said: "But the Helper, the Holy Spirit, whom the Father will send in My name, He will teach you all things, and bring to your remembrance all things that I said to you" (John 14:26).

Expect the Holy Spirit to use the Word you have studied to speak to you and help you. And be listening!
