By Faith We Understand

"By faith we understand that the worlds were framed by the word of God, so that the things which are seen were not made of things which are visible" (Hebrews 11:3).

I can't explain how faith brings understanding, but it does. Faith is a "knowing" that is different from scientific knowledge, but it is every bit as valid. For example, a person who has placed their faith in Jesus Christ as Savior *knows* God is real, though He is invisible. There is historical evidence that helps prove Jesus really lived, but it is by faith we believe and understand Jesus is God's Son who died for our sins that we may have eternal life. We know by faith God is real and His Word is true.

Spiritual things do not make sense to the unsaved person because it is "by faith we understand." I pray you will continue to grow in faith and understanding.
