### **More Suggestions for Memorizing Scripture**

1. Try to stick with your memorization plan; but if you get side tracked, simply pick back up. It's no problem. It happens to all of us occasionally.
2. Don't quit. All who start will reach the goal if they don't quit. The winner is the one who perseveres.
3. Try writing a verse once or several times as you are memorizing it and then after you have learned it.
4. Write the week's verses on sticky notes and place them where you will see them often. Or you could use photo copies of the week's memory card.
