More Suggestions for Memorizing Scripture

1. Start a Scripture Memorization Group among your friends and memorize together.
2. Review previous weeks' verses. Once a month set aside a day or two to review verses previously learned.
3. At the end of a Scripture Memory Series, utilize the next month or so for review.
4. If you do not understand a verse, talk it over with someone. Also read it in different Bible versions. Sometimes the Amplified Version is helpful with meaning.
