An Example of Faith

"Without weakening in his faith, he [Abraham] faced the fact that his body was as good as dead--since he was about a hundred years old--and that Sarah's womb was also dead. Yet he did not waver through unbelief regarding the promise of God, being fully persuaded that God had power to do what he had promised" (Romans 4:19-21, NIV).

Abraham is an example of one man believing a promise that seemed impossible in the natural. Most of God's promises to us will seem that way. God is faithful to His Word and is also able to do what He promises. Let's follow Abraham's example. We can believe for what seems impossible if God has promised it. We can believe and receive with a little faith and with God's help.
