### Thanking God for His Promises

Expressing thanks to God is very powerful spiritually. It can break through the enemy's blockade that tries to stop or prevent us from moving forward or receiving what God has planned. It is an under used spiritual weapon that can defeat Satan's plans and attacks against us.

Thanking God for His specific promises is also a means of receiving them. When someone has a gift for you, the proper thing to do is to reach to accept it, saying "Thank you"--even before the gift is in your hand.

When you have identified a promise in God's Word that you need, begin thanking Him for it. Thankfulness is an expression of your faith in God and His Word, and your faith is instrumental to receiving your answer, your help, your promise. In God's time, you will see the fulfillment of the promises you need. Thank Him!
